

Public Meeting Announcement

Salmon Creek Basin Plan

The City of Burien and King County are working in partnership with other agencies to develop a basin plan for Salmon Creek.

The project partners invite you to attend the second public meeting on the project, on Thursday March 11, 2004.

The project partners have continued assessing the existing conditions and evaluating concerns about habitat, water quality, and stormwater flow. They have begun to set priorities and identify tentative recommendations for the basins. They will be sharing this information at the public meeting.

Date: March 11, 2004

Time: 6:30 – 8:30 PM

Location: Shorewood Elementary School
2725 SW 116th, Burien 98146
([map](#))

Check the Project Web site to find out more about the basin plan project, to find contacts from your jurisdiction, or for meeting agendas and other details; or call the numbers below.
